

Camper Parents,

As our communities continue to feel the impact of COVID-19 (coronavirus), we want to reassure you that we are monitoring the public health situation closely. The health and safety of our staff and campers – and, subsequently, camper families – have always been our top priority, and that remains true now.

We understand there are questions surrounding camp this summer, our refund policy, additional medical steps that are being taken, and safety precautions for our campers. Please rest assured that in the unlikely event that camp is canceled, you will receive a full refund. We are monitoring the ever-changing news from school systems and public health officials and will continue to stay up to date with our camp communities.

We commit to provide more information as it becomes available and as decisions are made leading up to camp season.

As we move forward in faith and wise caution, thank you for being a part of the WinShape Camps family. We are prayerful that we will see you and your camper soon.

If you need us, our WinShape Concord team is here. Please let us know how we can be praying for your family.

Prayers, love and virtual hugs for the days ahead.

WinShape Concord Team
